

TNT SUPER SALMON +

Super Salmon+ is a product of TNT Farming Solutions, LLC.
6928 S Benham Rd, Versailles, IN 47042
rdstephens324@gmail.com

(574) 532-6201

Product description:

TNT-Super Salmon + is a fortified salmon hydrolysate containing chitin, kelp, amino acids, volatile fatty acids and natural fermentation organisms. It provides both short term and mid term nutrition for your crop while promoting a flush of beneficial microbes for continued support of your plants. The King of fish hydrolysates, it is rich in soluble fats and the building blocks for proteins and complex phytochemicals that can help reduce insect and disease pressure in plants.

DIRECTIONS for USE:

Product must be diluted. Minimum dilution rates are for product: water. Mix thoroughly before use (do not use air). Not likely compatible with calcium inputs. Depending on soil or tissue tests, additional nutrients may be added as indicated. Always jar test mixtures prior to filling equipment. Once diluted, this product is highly biologically active; therefore, do not leave diluted product in equipment and clear/flush lines if it will stand for more than 4 hours. While this product has been filtered for ease of use, it is advised to filter it to the specifications of the equipment being used to avoid potential plugging of equipment. Do not ingest. Do not feed to livestock. Keep away from children and pets. Do not allow spills to reach waterways.

Application Rates:

In trench/broadcast: up to 2 gal/acre (min 1:3 dilution)

Foliar/fertigation: up to 2 gal/acre (min 1:10 dilution)

NOTICE:

This label is believed to be reliable and should be followed carefully. Injury to the treated crop may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of TNT Farming Solutions or the seller. Failure to follow label directions may cause injury to crops, animals, people, or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the listed purpose, subject to the factors noted above. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at TNT Farming Solutions election, either a refund of the purchase price paid by the buyer or user for product bought, or a replacement of the product used. To the extent allowed by law, the Company shall not be liable and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
